WELCOME

Dear Guests;

Welcome to our home and to our dream. For years we have wanted to build and operate a premier lodge in the Katahdin Region. When the opportunity finally arose we poured our hearts and souls into it. 5 Lakes Lodge is the product of that dream.

We were both born and raised here...we grew up on a small lake about six miles from the lodge. Being true "locals" we know the area by heart and will help you discover all that the area offers. We love our little piece of heaven and know that you will too.

Enjoy your stay!
